CONSTITUTIONAL AMENDMENT A

The following amendment to the Constitution is submitted to a vote of the people by the Legislature.

A JOINT RESOLUTION, proposing and submitting to the electors at the next general election amendments to Articles IV, VIII, XI and XVIII of the Constitution of the State of South Dakota, relating to the duties of the treasurer and the commissioner of school and public lands.

Attorney General's explanation:

This proposed Constitutional Amendment would

(1) Eliminate from the Constitution the provision for a "commissioner of school and public lands."

(2) Substitute in the Constitution the office of "state treasurer and administrator of school lands" for "state treasurer."

(3) Transfer all duties now performed by the "commissioner of school and public lands" to the "state treasurer and administrator of school lands."

A vote "YES" by a majority will change the Constitution as explained above.

A vote "NO" by a majority will leave the Constitution as it exists.

INITIATED MEASURE 1

An initiated law to require the approval of the voters of this state on questions of disposal of nuclear waste or participation in nuclear waste disposal compacts.

Attorney General's Explanation:

This initiated law would require an affirmative vote of the people of South Dakota, at a statewide general election, or special election if required to meet deadlines contained in federal law, prior to occurrence of either of the following:

(1) Disposal of either low-level nuclear waste in the state, or

(2) South Dakota joining any compact with another state or states for disposal of nuclear waste, and would be retroactive to January 1, 1983.

It would further require that no election be held on any proposal regarding this subject matter until all the following had occurred:

(a) An application in the form of a detailed plan be filed.

(b) A summary of the application be published generally in South Dakota newspapers at the cost of the applicant.

(c) Public hearings, with the applicant present, at the cost of the applicant, conducted by an impartial person, be held on the application at seven locations in the state.

This initiated law would exempt those entities which generate and store nuclear waste on site, with nuclear regulatory commission approval, for a primary purpose other then nuclear waste disposal.

A vote "YES" is for enactment of the proposal into law.

A vote "NO" is against its becoming law.

INITIATED MEASURE 2

An initated law to establish the opening day of elementary and secondary schools.

Attorney General's Explanation:

This initiated law would prevent a school board from establishing the first day of a regular nine month school term earlier than the first Tuesday following the first Monday of September of any year.

A vote "YES" is for enactment of the proposal into law.

A vote "NO" is against its becoming law.

INITIATED MEASURE 3

An initated law to require the Governor to notify the federal government that the people of South Dakota mandate a verifiable nuclear arms freeze.

Attorney General's Explanation:

This initiated law would compel the Governor of South Dakota, prior of January 15, 1985, to inform the president of the United State, the two States Senators from South Dakota, and the Congressman from South Dakota that the people of South Dakota demand the following be accomplished:

(1) An agreement be entered between the United States and the Soviet Union that neither will build, test, or place additional nuclear warheads, or launching devices designed to fire nuclear warheads.

(2) That the United States thereafter observe such agreement and monitor to insure observation by the Soviet Union.

The Governor would also be compelled to inform the same persons, by the same deadline, that, after entering such an agreement, the United States and the Soviet Union should respectively, commence, in an orderly fashion, a reduction of numbers of nuclear warheads and should encourage other nations to do likewise.

A vote "YES" is for enactment of the proposal into law.

A vote "NO" is against its becoming law.

SOUTH DAKOTA

November 6, 1984
